Mr. George Maverick addressed the Board about being placed on a future agenda to discuss the possibility that the District would support him in approaching the State of California regarding the implementation of fire bunkers, either individual or community bunkers. A discussion ensued regarding whether Mr. Maverick had been in discussion with the Chief regarding the matter. Mr. Maverick indicated he had only spoken with the Fire Safe Council. Mr. Maverick requested the Board decide regarding whether the Board would support his position with the State that fire bunkers are necessary. The Board indicated further study would be required before any support could be given and suggested Chief Abbott investigate whether this is a topic for consideration by the Board. Chief Abbott will respond back to Mr. Maverick.

Chief Abbott brought forward a late agenda item that had some urgency to it regarding a request for a leave of absence for an employee recently suffering a medical emergency. Because he is heavily sedated, he cannot request the leave himself, so the District, along with the Association, is proactively requesting it on his behalf. On a motion by Director
Harris, seconded by Vice President Luevano, the Board unanimously determined the matter arose after the publishing of the Agenda. On a motion by Director Harris, seconded by Vice President Luevano, the Board unanimously determined the matter is time sensitive and should be added to the Agenda as Item number 10.1. A representative was present to review the audit with the Board and provide insight into the financial status of the District. He noted the Finance Department has undergone some major changes to improve procedures, which have resulted in an on-time, clean audit. Discussion ensued regarding [1] the District’s net position increased $2,299,699 as a result of this year's
operations; [2] total revenues from all sources increased by 11.5%, or $2,043,379 from $17,855,597 to $19,898,976, from the prior year, primarily due to increases in charges for services of $484,379, mitigation fees of $624,614, and property taxes of $733,498; [3] total expenses for the District's operations increased by 0.10% or $173,914 from $17,425,363 to $17,599,277, from the prior year, primarily due to increases in operations, mainly increases in salaries and benefits; and [4] the District purchased new capital assets during the year in the amount of $1,971,163. 10.1. **REQUEST FOR GRANTING OF LEAVE OF ABSENCE AND PERMISSION TO ALLOW DONATION OF LEAVE — CHIEF ABBOTT**: Chief Abbott briefly explained the reasons for granting a leave of absence and allowing donation of leave to a probationary employee who was suddenly taken very ill. It is anticipated that he will be unable to return to work in the near future and as he is probationary, has little leave time accumulated. Chief Abbott and the Association have been in conversations regarding how to assist the employee, with this request being posed as a solution. Due to the sudden and severe onset of his illness, Chief Abbott posited that under the extenuating circumstance, the Board may use its discretion to allow the request. On a motion by Director Harris, seconded by Director Hoffman, the motion to grant a temporary eight week leave of absence through the end of January, with an extension up to one year, to be granted at the discretion of the Fire Chief/CEO passed unanimously.

**DISCUSSION AGENDA**

11. **LONG-RANGE FINANCIAL PLAN – DEPUTY CHIEF MAROVICH AND CHIEF ABBOTT**: Several months ago, the District engaged Raftelis in order to develop a long-range financial plan with

The tool developed by Raftelis incorporates current District finances to illustrate three different potential financial scenarios. Chief Abbott inquired whether a Board workshop was desirable in order to broaden the Board’s overview so that it may have time to contemplate the findings in preparation for more detailed future discussions. It was the consensus of the Board to have the Board Secretary identify a time in early January for the presentation and further discussions.
