### STAFF REPORT

**TO:** BOARD OF DIRECTORS

FROM: CHIEF MCREYNOLDS

**DATE:** SEPTEMBER 26, 2023

**SUBJECT:** RECOGNITION OF MEMBERS

### **PUBLIC ACTIVITIES AGENDA**

### **BACKGROUND**:

The NCFPD Board of Directors have a long-standing tradition of recognizing retiring members from the District. Tonight, we will recognize two valuable members of our organization.

### **DISCUSSION:**

It is an honor to acknowledge the service of Deputy Fire Chief Kevin Mahr and General Counsel Robert James for their loyal service to the citizens of our community:

### **Deputy Fire Chief Kevin Mahr**

Kevin Mahr is retiring after serving the District for 37 years. Kevin started his fire service journey as an NCF Fire Explorer in 1986. In 1989 Kevin was hired as a Reserve Firefighter, and in 1993 was hired as a full-time firefighter/Paramedic. Kevin served the District in the rank of Firefighter/Paramedic, Captain, Battalion Chief, Division Chief and Deputy Chief. Kevin has resided within the community of Fallbrook for over 43 years and is married to his wonderful wife Heather. Together they raised two children who are now successful grown adults.

During his career Kevin always maintained a very high level of involvement within the organization. In addition to his professional development through the years Kevin earned an associate degree from Palomar College, a bachelor's degree from Waldorf University and is a graduate of the Executive Fire Officer program through the National Fire Academy. Kevin is very proud of his accomplishments over his career and recognizes that none of it would have been possible without the support from his family as well as the organization. One of Kevin's most impressive achievements was taking our apparatus and fleet services to new heights. From radio installation to design and development, our fleet has never been more capable of meeting the growing needs of our District, and for that we are all grateful.

RECOGNITION SEPTEMBER 26, 2023 PAGE 2 OF 2

### **District Counsel Robert James**

Bob James has served as District General Counsel for over 50 years. He was hired in 1973 when then Fire Chief Bill Thurber ran into a problem with a verbal contract agreement with a land developer in Bonsall. Bob's legal expertise and knowledge has proven invaluable for 5 decades.

Over the years, Bob reviewed countless contracts and legal documents for the District. He was involved in the development of the Fleet Service Center at Station 1, the development of Station 4 and facilitated the land acquisition for Station 5. Bob was also continually active in District labor relations and navigating personnel and settlement agreements.

Bob has worked for many Boards over the years and has been an absolute pleasure to work with. We thank Bob for all the service and selfless dedication he has given to not only our agency, but our whole community. His vast legal experience has been instrumental in the success of the North County Fire Protection District.

### FISCAL ANALYSIS:

No fiscal impact.

### **SUMMARY:**

It is with appreciation and gratitude that the District recognizes Kevin and Bob for their professionalism and dedication over many years of service. We thank them for their efforts and for contributing to making the North County Fire Protection District the organization it is today.

16	directly follow the public comment portion of the agenda as a consideration for the guest speaker
17	there were no objections.
18	
19	PUBLIC ACTIVITIES AGENDA
20	1. Public Comments: President Acosta inquired if there were any public comments regarding items
21	not on the agenda. Fallbrook Public Utility District (FPUD) General Manager Jack Bebee stepped to
22	the podium to discuss proposed legislation, AB 399 (the Water Ratepayers Protections Act of 2023)
23	which if passed, would require a county-wide vote for a special district to request exclusion from any
24	county water authority. General Manager Bebee requested the Board consider signing and submitting
25	a letter in opposition to AB 399 (allowed in accordance with the NCFPD Legislative Advocacy Policy
26	- Section 110.10); there was no objection. There being no further public comment, the public
27	comment section was closed.
28	11. LETTER REQUEST REGARDING DRAINPIPES: Item #11 was moved per the request of Chief
29	McReynolds. Chief McReynolds advised the Board there was a request from Director Pike to have

the District submit a letter to the County requesting urgent repairs to a failing storm drain. Chief
McReynolds then invited Fallbrook Public Utility District (FPUD) General Manager Jack Bebee to the
podium to speak about the issue. General Manager Bebee informed the Board there is a 10-foot-wide
County maintained storm drain made of corrugated steel that is severely deteriorated and corroding
in the area of Alvarado Street near Vine Street. The poor condition of the drain has caused a large
sinkhole on the Mission Resource Conservation District property with potential for the damage to
expand even further, resulting in a potential public safety issue. General Manager Bebee explained
how FPUD crews surveyed the area as a courtesy and verified the damage. He reminded the Board
that storm drain repairs and replacements are not in FPUD's jurisdiction. Chief McReynolds indicated
Vine and Alvarado streets are main response routes for emergency NCFPD units responding from
Fire Station #1, and reminded the Board the drainage system runs directly adjacent to the NCFPD
Fleet Services Center and the San Diego County Sheriff's Fallbrook Sub-Station. Director Pike
voiced concerns about the failing system, as catastrophic failure of the drain could result in road
collapse in his District, District 1. Director Pike indicated both the Department of Public Works and
Supervisor Desmond's office has been made aware of the issue. Director Pike offered assistance in
the drafting of the letter to the County; there was no opposition. Vice President Egkan asked Chief
McReynolds if the letter would be sent to both Supervisor Desmond's office and the County Board of
Supervisors, to which Chief McReynolds responded it would. On a motion by Director Pike seconded
by Vice President Egkan, the motion to submit a letter requesting urgent repairs to the failing storm
drain passed unanimously.

Over the last Fiscal Year and into FY23/24, the District has continued to experience a steady increase of property tax revenue as a result of economic growth. The FY23/24 Final Budget presented herein reflects a balanced spending plan for the upcoming Fiscal Year that will allow the District to meet routine operational and Capital Improvement Plan (CIP) needs.

#### FISCAL ANALYSIS:

**TO:** BOARD OF DIRECTORS

**FROM:** FM JUUL AND CHIEF MCREYNOLDS

**DATE:** SEPTEMBER 26, 2023

**SUBJECT:** RESOLUTION TO ADOPT THE PAY SCHEDULE

#### **ACTION AGENDA**

#### **RECOMMENDATION:**

It is recommended that the Board of Directors adopt the attached Resolution 2023-12, which updates the Pay Schedule for application of the salary formula.

#### **BACKGROUND**:

The California Code of Regulations, Title 2, Section 570.5 requires a governing body's Board of Directors to adopt a pay schedule which delineates the range of pay for all positions and make them available to the public, without reference to another document.

#### **DISCUSSION:**

The current pay schedule does not reflect the current pay rate adjustments. Accordingly, it is necessary to adopt Resolution 2023-12 and post the referenced pay schedule (Exhibit 'A') on the Department's website. As future adjustments to rates of pay will require similar action by the Board of Directors, future resolutions will occur in concert with approval of bargaining unit or individual employee contracts.

#### **FISCAL ANALYSIS:**

None, procedural only as the salaries have previously been approved by the Board.

#### **SUMMARY**:

Staff recommends that the Board adopt Resolution 2023-12 and Exhibit 'A' as presented.

#### STAFF REPORT

**TO:** BOARD OF DIRECTORS

**FROM:** CHIEF MCREYNOLDS

**DATE:** SEPTEMBER 26, 2023

**SUBJECT:** Code of Civil Discourse Policy

#### **ACTION AGENDA**

#### RECOMMENDATION:

That the Board of Directors Review and Adopt (Appendix "A") Code of Civil Discourse Policy.

#### **BACKGROUND:**

At the August 22<sup>nd</sup> Board meeting Director Pike suggested that the NCFPD Board of Directors consider adopting a *Code of Civil Discourse* Policy. Policies such as the draft provided are being adopted by organizations across the Country to promote respectful and constructive civil discourse.

#### **DISCUSSION:**

One of the most important educational, political, and social issues of today is how best to have a civil conversation in a democratic society. Our past, present, and future depend on the ability of people to gather, listen to each other, debate, make up their minds, and determine a course of action in a courteous and civil manner. This policy memorializes an organizational commitment to respectful and constructive airing of different points of view, which is critical to successful dialogue.

#### FISCAL ANALYSIS:

None

#### **SUMMARY:**

Once the Board approves the policy, Staff will ensure a final version is distributed to the organization for review and added to the NCFPD Policy and Procedure Manual.

#### POLICY AND PROCEDURE MANUAL

  - 1.2.1. We will promote an inclusive environment where diverse perspectives are shared and considered; and

  - 1.2.3. We will show respect for ideas and views presented, even when we disagree; and
  - 1.2.4. We will explain our positions by fairly presenting the reason for them; and
  - 1.2.5. We will avoid personal attacks or other tactics that distract attention from the salient issues.

#### STAFF REPORT

**TO:** BOARD OF DIRECTORS

FROM: CHIEF MCREYNOLDS

**DATE:** SEPTEMBER 26, 2023

**SUBJECT:** FEDERAL ADVOCACY SERVICES

#### **ACTION AGENDA**

#### **RECOMMENDATION:**

That the Board of Directors direct Staff to contract with Howells Government Relations (HGR) for Federal advocacy services.

#### **BACKGROUND:**

The NCFPD continues to pursue grant opportunities to assist with District capital facility funding needs. Staff believe it would be in the best interest of the District to partner with a proven federal advocate to assist in pursuing federal funding and collaborating with grant writers for District infrastructure projects.

#### **DISCUSSION:**

Under contract, HGR would monitor and track federal activity and funding opportunities relating to NCFPD's proposed current and future projects. HGR has the expertise, qualifications, experience, and history of accomplishments in the federal arena to assist the District achieve its primary objective of securing federal funding.

#### FISCAL ANALYSIS:

HGR agrees to perform advocacy services for North County Fire Protection District for a monthly retainer of \$7,500 plus reasonable, agreed-upon incidental expenses incurred in representing the District, such as travel, lodging, taxis, meals, parcel delivery, mass-production of lobbying and other documents, etc. effective October 1, 2023, and continuing for a period of one year.

#### SUMMARY:

HGR would provide strategic counsel, as well as congressional, government, and public relations assistance to the District. Staff anxiously anticipate the opportunity to partner with HGR to develop and execute a highly effective strategy to meet our federal funding, government relations, and public outreach objectives.

STAFF REPORT

**TO:** BOARD OF DIRECTORS

FROM: CHIEF MCREYNOLDS AND DFC MACMILLAN

**DATE:** SEPTEMBER 26, 2023

**SUBJECT:** AMBULANCE FEE SCHEDULE ADOPTION

#### **ACTION AGENDA**

#### RECOMMENDATION:

That the Board approve Resolution 2023-13 and the attached Ambulance Fee Schedule (Exhibit "A").

#### **BACKGROUND:**

In an effort to recover costs, statute allows public entities to charge for emergency medical services (EMS). This may be accomplished by cost recovery based upon a full cost basis, or alternatively by charging a "reasonable fee." The District currently charges all users of the District's ambulances for services rendered.

#### **DISCUSSION:**

In September of 2016, the Board approved automatic rate increases equal to that of the CPI-Urban index for San Diego (CPI-U, San Diego). The annual increase is applied annually on October 1<sup>st</sup>. Resolution 2023-13 authorizes staff to implement the Board-approved annual automatic rate increase to the District's Ambulance Fee Schedule.

#### FISCAL ANALYSIS:

Once the remaining incremental increase has been fully implemented, the District anticipates a net annual increase in EMS and ambulance transportation revenue of approximately 7.5%.

#### **SUMMARY:**

The adoption of resolution 2023-13 will finalize the ambulance rate adjustments approved with an implementation date of October 1, 2023.

#### RESOLUTION NO. 2023-13

RESOLUTION OF THE BOARD OF DIRECTORS OF THE NORTH COUNTY FIRE PROTECTION DISTRICT, COUNTY OF SAN DIEGO, STATE OF CALIFORNIA, AMENDING THE CURRENT FEE SCHEDULE FOR EMERGENCY AND NON-EMERGENCY MEDICAL SERVICES AND TRANSPORTATION

WHEREAS, the North County Fire Protection District provides emergency and nonemergency services as part of the operation of the fire district; and

**WHEREAS**, the rules and regulatory fees and charges for services and transportation have previously been established for the operation of these services; and

**WHEREAS**, under the authority of the Health and Safety Code Section 13916, a District may charge a fee to cover the cost of any service which the District provides or the cost of enforcing any regulation for which the fee is charged; and

WHEREAS, it has been necessary to revise these rules, regulations, fees and charges from time to time on the recommendations of the Fire Chief/CEO and the Operations Chief; and

**WHEREAS**, the adoption of this fee schedule is required to recover the costs of providing emergency medical services, including pharmaceuticals, supplies, equipment and infrastructure charges from the users thereof to maintain an effective EMS Delivery System; and

WHEREAS, the fee structure was last changed in October of 2020 by Resolution; and

**WHEREAS**, the analysis of the fee schedule at the October 27, 2020 Board hearing indicated that an increase in the fees and rates was warranted. The rate of user fees shall be that which is usual, customary and reasonable based upon the regional averages obtained from the most recent rate survey of 9-1-1 ambulance providers within San Diego County. The final incremental increase adopted at the October 27, 2020 hearing is herein reflected as set forth in "Exhibit A;" and

**WHEREAS**, the Board of Directors of the North County Fire Protection District desires at this time and based on the findings submitted, deems it in the best public interest to increase EMS fees as set forth in "Exhibit A" (incorporated as a part of this Resolution) to become effective **October 1, 2023**;

**NOW, THEREFORE, BE IT RESOLVED,** by the Board of Directors of the North County Fire Protection District, a public agency in the County of San Diego, California, as follows:

1. The above recitations are true;

#### <u>MEMORANDUM</u>

**TO:** Board of Directors

North County Fire Protection District

**FROM:** Kristen S. Steinke, General Counsel

**DATE:** September 26, 2023

**RE:** General Counsel Report for Board of Directors Meeting

Included below is this month's legal update on current legislation to watch that is headed to the ballot in 2024.

Legislators approved several measures that would provide or preserve funding for behavioral health, affordable housing, and public infrastructure.

#### SB 326 (Eggman) and AB 531 (Irwin)

The Governor has introduced a two-part legislative proposal: SB 326 (Eggman) and AB 531 (Irwin). These measures would modernize the Mental Health Services Act and place a \$6.3 billion bond measure for 10,000 new community behavioral health beds and housing on the March 2024 ballot.

The goal is to ensure that California can better meet the needs of people experiencing severe behavioral health conditions and homelessness.

Several amendments were adopted to AB 531 just before the session ended — including by-right approval for some projects. The bond measure is being touted as beneficial for local governments through its inclusion of \$1.5 billion to cities and counties for behavioral health beds.

#### ACA 1 and ACA 13

Both ACA 1 (Aguiar-Curry) and ACA 13 (Ward) passed through the Legislature and are headed to the November 2024 ballot. The measures will make it possible for local governments to be more responsive to the needs of their communities.

ACA 1 would lower the 55% voter-approval threshold for public infrastructure and affordable housing special taxes and bonds. This measure will give California voters a chance to do for cities, counties, and special districts what they did for school districts more than 20 years ago.

September 26, 2023 Page 2

ACA 13 would require future ballot measures that increase voter approval requirements to also pass by the same threshold. It would also preserve the right of local governments to place advisory questions on the ballot asking voters their opinions on issues.

ACA 13 is a response to a competing measure on the November 2024 ballot put forward by the California Business Roundtable (CBRT). The CBRT measure attempts to require a higher vote threshold for certain tax measures. If ACA 13 is approved by voters, the CBRT measure must be approved by a two-thirds majority vote.

Dear Mr. Ault,

On behalf of the North County Fire Protection District (NCFPD) I would like to extend my sincere gratitude and appreciation for the generous financial contributions made on behalf of the San Diego Fire Foundation to several of our single-role members for school tuition costs. The recipients were chosen because of the financial need they each had. This funding will go a long way toward assisting each of them in achieving their goal and dream of becoming a firefighter.

Helping the next generation prepare for a career in public service is noble, and for that I genuinely thank you.

The Honorable Brian Jones Senate Minority Leader 1021 O Street, Room 7640 Sacramento, CA 95814 The Honorable Marie Waldron 75<sup>th</sup> Assembly District 1021 O Street, Room 6140 Sacramento, CA 95814

Subject: Opposition to Assembly Bill 399, Water Ratepayers Protections Act of 2023: County Water Authority Act: exclusion of territory: procedure

Dear Senator Jones and Assemblywoman Waldron,

The North County Fire Protection District opposes Assembly Bill 399. The proposed legislation would immediately create a significant change to the existing process for a water district to detach from a county water authority.

The San Diego County Local Agency Formation Commission (LAFCO) is our cross governmental body responsible for the review and approval/disapproval of local government changes in boundaries, memberships, and authorities. We appreciate the due diligence provided by this organization to ensure equitable services are provided across the county. This bill erodes LAFCO's position of expertise by requiring a county wide referendum to determine if the departure of a member agency is approved (however, not conversely for joining a water authority). We believe LAFCO provides appropriate electorate representation for these matters.

The bill also includes the urgency clause requiring the legislation to take effect immediately. As a small, rural, special district, we rely on understanding and following the processes established by the legislature and entrust that those processes will not be changed without significant warning or allowances for local governments already proceeding through the process, such as a grandfather clause. We believe this bill contains an inappropriate use of the urgency clause.

Since the bill erodes local representative review and takes effect immediately if approved, we highly encourage you to vote NO on AB399.

Should you or your staff have any questions, please feel free to contact me at 760-723-2012.

Sincerely,

Cindy Acosta Board President

The Honorable Christopher Ward California State Assembly 1021 O Street, Suite 6350 Sacramento, CA 95814

RE: Assembly Constitutional Amendment 13 (Ward) - Support [As Amended August 17, 2023]

**Dear Assembly Member Ward:** 

The North County Fire Protection District (NCFPD) is pleased to support your Assembly Constitutional Amendment 13. related to protecting the majority vote. Our District provides fire and emergency medical serves approximately 55,000 constituents across 90 square miles of unincorporated northern San Diego County.

Under current law, an initiative constitutional amendment that proposes to amend the California Constitution requires a simple majority of voters casting votes in favor of the measure for the amendment to be approved. Notably, this simple majority requirement is irrespective of any of the provisions contained within the proposed constitutional amendment; should the text of the proposed constitutional amendment contain provisions that would otherwise require voter thresholds in excess of a simple majority in the future, those increased vote thresholds may nonetheless be imposed with a simple majority of voters. Phrased another way, this allows a simple majority of voters to insert a three-fifths, two-thirds, four-fifths, or higher vote threshold into the California Constitution, even without the corresponding level of support in terms of votes cast in favor of the original amendment proposal.

ACA 13 would propose to California voters a solution to this problem with the initiative process: if placed on the ballot by the California Legislature, California voters would be asked to decide whether an initiative constitutional amendment containing provisions that increase vote thresholds should be required to attain the same proportion of votes in favor of the amendment that the proposed increased vote thresholds would demand. In this way, ACA 13 would ensure that a proposal cannot impose vote thresholds on our communities and our State that exceed the level of support for imposing such thresholds.

ACA 13 protects the democratic process in local communities by ensuring that a simple majority of statewide voters cannot restrict the will of a supermajority of voters in a local community. For these reasons, NCFPD is pleased to support Assembly Constitutional Amendment 13. Please feel free to contact me with any questions.

Sincerely,

Keith McReynolds Fire Chief/CEO

The Honorable Supervisor Desmond 325 S. Melrose Ave. Vista, CA 92081

Dear Supervisor Desmond,

On behalf of the North County Fire Protection District (NCFPD) Board of Directors, who voted unanimously to support this letter, I ask that you please take emergency action to address a failing storm drain in the downtown Fallbrook region.

We have been advised that a large main storm drain is failing along Alvarado Street near Vine Street. Vine and Alvarado streets are main response routes for emergency NCFPD units responding from our Fire Station #1 and, units from the San Diego County Sheriff's Fallbrook Sub-Station which is located on Alvarado Street. The drain system runs directly adjacent to the Sheriff's station and, our agency Fleet Services Center.

Our District is concerned that the failing large diameter drain, which is already causing a large sinkhole near the Mission Resource Conservation District Administration may be causing further erosion underground along this critical emergency response route. This could result in catastrophic failure of the drain and road collapse.

I would ask that you please allocate the County resources necessary to conduct a full evaluation of the drain system and any needed repairs.

Respectfully,

Keith McReynolds Fire Chief/CEO

Thank you to Dustin and the team who helped redesign our service card program.

You may not realize it, but this is one of the most meaningful efforts we make to exceed our customers' expectations. The comments we receive because of these cards shows an absolute appreciation for the extra effort you all place in making our interaction with the community a little extra special through a simple note saying we care. Our new Mission Statement is "To serve and exceed our community's expectations through preparedness, response, and recovery". The card plays nicely into the recovery piece.

I appreciate the level of care and thought that was invested in making the service card program more efficient and streamlined.

Well done!

#### **Operations Shout-out**

#### Good morning,

We wanted to take a moment to recognize all the NCF personnel and neighboring agencies that assisted with extinguishing the Residential Fire off Shady Glen on Tuesday. I received several calls from North Zone Chiefs, who were impressed with the solid radio communications and Command/control from the Officers on scene. This was a highly dynamic fire with emergency traffic declarations, Hazmat issues, and strategy shifts in 100 degree weather. All crews displayed outstanding mental and physical fortitude with extinguishing the fire, setting up rehab and taking care of our people and the customer.

In particular a fantastic job by BC Joey "Shady IC" Bradshaw, Capt. Ryan "Division Alpha" Garing and Acting Capt. Kyle "Fire Attack Group Sup" Krenz for their tremendous efforts on a very intense incident.

Thank you and have a great Labor day weekend!
