ACTION AGENDA

2. Strategic Planning Workshop — Chief Abbott: Chief Abbott made his presentation to the Board, reviewing the Short-term and Long-term issues with those present. In review, he noted the identified four Short-Term issues being worked are:  [1] Staffing 1195 & Rainbow post SAFER; [2] Funding Capital Equipment Replacement Plan; [3] Expanding community outreach; [4] Replacing Station #4 living quarters. An overview of the overall Strategic Priorities/Plan for address these issues was reviewed. Chief Abbott noted that the success of many of these issues are dependent on particular contingencies, partnerships, uncertain funding or collaboration between labor/management or entities outside the District, which the District may not control. Chief Abbott informed the Board that Staff has been working on these issues for some time and will continue to do so as
time permits. Staff will bring forward findings and recommendations as they are
developed.

Chief Abbott refocused the Board on the Long-term issues, reviewing the projected
budgetary issues with a five year outlook. He identified the following Long-term
challenges: [1] $25M anticipated facility needs; [2] limited income growth potential post-
buildout; [3] need to restore of cash reserves ($7M pre-recession); [4] changes in
healthcare landscape (community paramedics); [5] keeping pace with administrative
workload; and [6] increasing demands for service (volume & scope).

Chief Abbott reiterated the previously identified Board interest, including: Meeting future
operational needs; meeting or exceeding customer expectations; implementing sustainable
change; maintaining capital equipment; maintaining reasonable cash reserves; maintaining
employee morale; honoring contracts; maintaining administrative capacity; employee
succession planning and employ a staff representative of community. In-depth discussion
ensued regarding where the District needs to go, why the Strategic Plan needs updating
and its scope. In addition, they discussed what the District would hope to accomplish if it
sought a Bond and what processes are current being undertaken to address the
challenges.

The Board requested a few items be prepared or included in the process, including: [1]
provide am updated Capital Equipment Plan, which could be presented on a regular basis
for review and progress reports; [2] invite the CSUSM students who are preparing the
social media plan to a Board meeting to share their Plan with the Board; [3] develop a
message that could be consistently shared with the public, giving the public an idea of who
North County Fire Protection District is, what we are doing and why, develop a community
overall plan – consider a professional spokesperson with the goal of educating the value of
the District to the community; [4] develop a visual method of showing how District monies
are allocated and where the revenue comes from, perhaps include in the property tax bill if
possible; [5] develop a realistic overall facilities plan, which may be shared with the
community as part of the community outreach plan; [6] on a regular basis, show in a
graphic manner how much of the budget is operational and provide a historical perspective
of past reserve funds. Chief Abbott will move forward with these items and processing, reporting and updating the Board back as progress is made.
