PUBLIC ACTIVITIES AGENDA

1. Public Comment: President Munson addressed the audience and inquired whether there were any public comments regarding items not on the Agenda. Mr. Andrew Askins appeared and commented that he had asked last month to be placed on the Agenda to discuss his issue with the lien placed on his property by FPS. Chief Abbott stated after the Board meeting, the District had contacted Mr. Askins with additional information and asking him to notify the Board Secretary if he wished to be placed on the Agenda for an appeal for the July meeting. There was no response and therefore, he was not placed on the Agenda. The President informed Mr. Askins that the Board could not hear his appeal if he was not on the Agenda. Mr. Askins said FPS was unlicensed and he would pursue his options with his attorney and the Attorney General. After Mr. Askins left the room, discussion ensued regarding reaching out to Mr. Askins and his son again. Chief Abbott informed the Board he had a lengthy discussion with Mr. Osborn, who stated he was willing to work with Mr. Askins. In addition, Chief Abbott noted he had received a letter from state licensing noting that this type of work falls within an exceptions for licensing. As requested by the Board, Chief Abbott will again reach out to both Mr. Askins and his son to determine whether he

9. **PUBLIC HEARING DATE/TIME CERTAIN JULY 25, 2017 AT 5:15 P.M. — FOR ESTABLISHMENT OF MULTIYEAR FACILITIES AND EQUIPMENT PLAN FOR THE FEE MITIGATION PROGRAM WITH ADOPTION OF RESOLUTION 2017-10 — FM KOCH AND CHIEF ABBOTT:** President Munson read the Resolution title and opened the Public Hearing, inquiring whether there was any public comment or testimony. There being neither, the Public Hearing was closed. Chief Abbott presented the Plan and Resolution to the Board outlining the Fire Mitigation Program.
Program and Plan and the District’s compliance. Chief Abbott noted the District remains upside down in the Program and for that reason, the District has determined that it will exercise the “pay back” option, rather than move forward with approving new plans. Discussion ensued on the amount of mitigation fees expected this year and what can be done to impact these amounts. On a motion by Vice President Thuner, seconded by Director Hoffman, the Board unanimously approved Resolution 2017-10 with the following roll call votes: **Ayes:** Directors Harris, Hoffman, Luevano, Munson and Thuner; **Noes:** None.

10. **REVIEW AND APPROVE RESOLUTION 2017-09 RE: UPDATING COST RECOVERY PROGRAM FOR RESPONSE TO HIGHWAY INCIDENTS — CHIEF ABBOTT:** Chief Abbott introduced a revised Cost Recovery Resolution to modify reflect actual costs of District services and responses. The District has not adjusted its charges since the inception of the Program in 2009. The vendor has suggested the rate of twelve percent to be in line with the historical Consumer Price Index. In addition, to keep charges current moving forward, Staff recommends addition of an automatic inflator to this Resolution, similar to that adopted in the ambulance resolution last year. Since the District may recover actual costs, the Board requested a comparison of actual current costs with the proposed costs, with documentation of the same and adjustment to reflect the actual costs as a starting point. Approval of the Resolution tabled until the costs comparison can be presented.

11. **REVIEW AND APPROVE AMENDMENTS TO DISTRICT’S CODE OF CONFLICT AND APPROVAL OF RESOLUTION 2017-11 — CHIEF ABBOTT:** Chief Abbott presented the Conflict of Interest Code to the Board for review and approval, noting that there were several suggested changes to the Code, which have been reviewed and approved by District Counsel. The changes involved the following housekeeping updates: [1] removing the Administrative Captains from the list of reporters, [2] adding the Fire Marshal, which used to be a Chief Officer designation and now is a division head and Non-Safety position and [3] clarifying a job title as requested by the County for the Vehicle Maintenance Supervisor (Mechanic III-Supervisor) position. On a motion by Vice President Thuner, seconded by Director Luevano, the motion to ratify the recommendations and to approve Resolution 2017-11 with necessary amendments to the Code passed unanimously.
